

# WORD ON THE GROUND

So what did you think about our Cooler Karaoke & All Fours Lime?

**Teresa White** Group HR Director

"A really fun event with lots happening at the same time – a distinctly new calendar event. Group HR was there in full force and did quite well on the All Fours front. I am really looking forward to the next event with HR across the Group working closely with Group Corporate Communications to make it even bigger & better"

**Khelice Rennie** Brand Manager  
(Cold Chain Division), AMCO

"This event was a great opportunity for us at AMCO to bond in a non-work environment. I was happy to see the team come together to support our colleagues in the Karaoke competition"

**Danielle Bago-Rondon** HR Officer, AMCO

"A true spirit of camaraderie!"

**Jason Boos** Draughtsman/ Estimator, ABS

"It was fun! It was crazy! A really nice charged atmosphere! And most of all...great togetherness!"

**Dalia Smith** Purchasing Assistant, ABS

"...I was unaware of how many talented individuals are employed throughout the entire group. You guys need to look at making this an annual event"

**Rishi Ramnath** Assistant Accountant, MBM/SE

"Very enjoyable! Hope to see more events like this!"

# THE SIGHTS & SOUNDS OF ANSA McAL'S ALL FOURS/KARAOKE LIME

...ACCORDING TO CB

They told him to keep his eye on the prize...they didn't say which prize though

He Finally Found the prize at the bottom of the pack of chips

Someone should've told him that he was holding the wrong end of the bull

That's a lot of concentration and angst for a song called 'Wotless'

We told these guys that they had just won!

Then we told them that we were just joking :)

Someone really should've told this guy to turn around

The funniest thing about this picture is that the stage was over that way

Someone should've told this guy that the stage was straight ahead

All that winning must have been tiring for Mr. Fletcher!

We would've told him that the party was over, but he just looked like he was having so much fun

## CB STRIP

Still the best beer around!

The secret to winning All Fours is not to hide your cards from the other team, but rather to show your cards when they aren't looking

So Mr. Chairman you agree that the work week should really start on a Wednesday instead of Monday!

Mmmmm... the sweet taste of victory...
