

Olympic Champion Keshorn Walcott Tours Carib Brewery

Olympic Champion, Keshorn Walcott and his team were recently treated to a Brewery tour at Carib, spear-headed by Mrs Carla Furlonge - Walker, Marketing Director and ending with a meet and greet with Marketing officials. The Olympian charmed the CBL team on the factory floor as he learnt about the brewing and bottling processes as well as the packaging of the Carib Light Beer. Mr. Walcott toasted to the occasion with his personal favourite, Malta Carib, as the Brewery celebrated his global accomplishments and contribution to sport in Trinidad and Tobago.

Tatil/Tatil Life Football Side

Making Believers out of everyone

Written by Jeffrey Dalton-Brown
Manager - Risk and Compliance, TATIL Life

Proud and Happy Champions!

After several seasons of being inactive, the TATIL/Tatil Life football team came together to enter the annual QPCC 8-A-Side Corporate Football Tournament. Following on from our success in the recently concluded CariFin games, both MDs, Mr. Musa Ibrahim and Mr. Ronald Milford were in full support and readily agreed to fund both the entry fee and cost of uniforms. With that sorted, we now had to put together a team that could proudly represent us. Taking the lead in this process was avid footballer, Jeffrey Dalton-Brown who enlisted the assistance of Kwame Thomas to help identify the ballers in the company. The first two on the list were stalwarts from the heydays of football at TATIL, Curtis De Four and Joe Elias, both of whom despite having not played in a while, came on board in full support. With their aide, we successfully added Kevin Sohun, Daniel Byer, Joshua Rajnauth, Brandon Jhagroo, Dane Harripersad, Kareem Simon and Michael Cipriani to the team. Unfortunately for us, we were still short a goal keeper and also required a few extra players to allow for injuries and the odd nights that players could not show up, so we enlisted Marlon Bowen, Jason “Zenga” Bowen (GK), Kevin Eifell, William Bernard and Marlon Bailey.

Finally opening night rolled around and we were faced with our opening game, which incidentally was the first time that not only had the team gotten together, but it was also the first time that many players had actually met despite the fact they worked in the same building. The first thing that was obvious was that we had experience on our side. Others looking on may have mistaken that for a few very old players.

Unfortunately for us, our opposition (UTC) in the first of two games on the Monday night didn't arrive on time so we had to take the default. Our second game that night was different, our team tore into Eastern Credit Union winning by a 5-0 margin. The 3rd game, which was played on the Wednesday, pitted us against on form Sagicor team that was in the middle of their league campaign. A defensive error saw them take a 1-0 half time lead. Unwavering and knowing that a good result would have put us on top of the table, the team fought back and eventually our hard work paid off and we managed to get a draw. At the end of the night, both ourselves

and UTC were atop the table on 7 points each, with us having a superior goal difference. Eastern and Sagicor were out. The final standings would be decided by the last game of the group which was held on Friday. That evening saw us pitting our talents against a strong team from BHP, a perennial powerhouse in this tournament. They needed a good win to not only take their points tally to 7, but to also end up with a better goal difference. It was a tough game, with BHP throwing everything at us, but we held strong and secured the draw we needed to guarantee our position as group winners. Next step the semi-finals.

The first semi-final had us playing against another powerhouse, WITCO. A decidedly younger and fitter team. Having come so far and managing to beat all expectations, we weren't about roll over. It was a tough game and fatigue started to show. We ran hard and did what was required. Final score, 0-0. On to sudden death penalties. After two rounds, the scores were even until they missed their third. We had to score for the win which we did! Who would of thought, a team that barely existed on paper two weeks prior, was now in the final. Could we last or would the toils of the week final be our undoing? Unfortunately, by this point we had completely lost 2 key players to injury and a 3rd was playing with a severely damaged ankle. Things were looking bleak. After a tough opening against a talented BPTT, we finally had a break with some nice interchanging of passes, our forward found some space and slotted home a well-placed effort. We had taken the lead going into the half. Could we hold on? That we did, right up to the end, when in injury time a dropped corner from the keeper ricocheted off of the hand of a defender for a penalty. Heartbreak set in. Could the keeper save? Unfortunately not, 1-1 with seconds to go. Again, we found ourselves facing spot kicks. This time however, we kicked, and missed our opening. It was all down to our keeper who would eventually go on to win Goalie of the tournament. Luck was not with us and we were defeated. It was truly a bitter sweet moment.

As a player, I was proud of our accomplishments. Despite the odds, we had proven that hard work, discipline and a sense of pride in who we are – TATIL, was motivation enough for us to overcome all of the obstacles in our path. So while we did not walk away with the trophy, we all walked away winners. The neutrals loved our style and passion and our many supporters, who incidentally won the prize for most vocal support, loved our never say never commitment.

By the time we left the field of play at the end of that night, we had made believers out of everyone.

As a team, we would like to thank not only our fantastic supporters who cheered for us endlessly, but also our Chairman, Mr Chip Sa Gomes and his wife for spending the evening with us. The MD of TATIL, Mr. Musa Ibrahim, who when asked during the day advised that he could pass in for a while but ended up staying for the whole night, and finally the MD of TATIL Life, Mr. Ron Milford, who despite being on leave and not well, still managed to come and bubble up his famous curry duck with some potato and channa for fans and players alike.

Getting to Know

◀ **Marie De Four-** Marketing and Communications Coordinator
ANSA McAL Financial Services Sector

HOW LONG HAVE YOU BEEN WITH THE ANSA MCAL GROUP AND TELL US WHAT A DAY IS LIKE FOR YOU IN YOUR JOB AS MARKETING AND COMMUNICATIONS COORDINATOR, FINANCIAL SERVICES SECTOR?

I have been with the Group for the past 20 years.
A day for me is usually a very busy one, dealing with suppliers if we have promotional items to order for a particular event or internal initiative, dealing with the Media Houses or Advertising Agencies with regards to placement of Ads in the various media or reviewing artwork for the Ads. If we have an event coming up, dealing with the services providers, ensuring all details are in place. Day to day office work also entails arranging cheque payments, keeping track of budget spend, handling donation/sponsorship request, believe it or not all of these things happens in one day.

WHAT THREE THINGS DO YOU NEED TO BE SUCCESSFUL IN THE JOB THAT YOU DO?

1. Possess strong interpersonal skills. I need to be able to communicate effectively and efficiently when dealing with high level executives, Corporate officials, vendors, sponsor representatives, customers, suppliers, Management & Co-workers.
2. Organisation skills and the ability to multi-task.
3. People skills, I need to be communicative, with the ability to listen and understand what the particular job requires or what we are looking to achieve, as well as being able to convey that concept when selecting and negotiating with vendors.

IF YOU WERE TO TELL ONE PERSON "THANK YOU" FOR HELPING ME BECOME THE PERSON AND PROFESSIONAL I AM TODAY, WHO WOULD IT BE AND WHAT DID THEY DO FOR YOU?

It's difficult to say that to one person as a few persons contributed to the person I am today both professionally and personally. It started on my first day at Tatil, being hired to work in the Marketing Department at Tatil Life with Herman Creque and the Marketing Team at that time. He always believed in me and motivated me to be a better individual and with his guidance he steered me into the Marketing & Public Relations field, which is where I continued to grow from strength to strength.

WHAT IS YOUR PHILOSOPHY TOWARDS YOUR WORK?

To be a Team player, to be committed and dedicated towards the job, being focused to find success, being determined, to get the work/job completed on time, no matter the circumstances. The ability to balance professional and personal life and to do your best – contribute your best skills, experience and effort for the optimal productivity.

HOW DO YOU THINK YOUR CO-WORKERS SEE YOU?

I believe they see me as trustworthy and would go the extra mile.

WHAT WOULD YOU BE DOING IF YOU WEREN'T IN YOUR CURRENT JOB?

I would have pursued a job in the Accounting Field.

ANSA COATINGS BARBADOS SISSONS PAINT SHOWING THEIR COLOURS IN THE COMMUNITY

ANSA Coatings Limited, the most diversified manufacturer and supplier of paint and coatings in the Caribbean, recently launched their first of a series of Sissons Colour Shop in Barbados, and is already showing their colours in the local community.

St Dominic's Roman Catholic Church on Maxwell Main Road, was the first to benefit from paint to upgrade the newly paved driveway and the windows inside the church. St Dominic's, built in May 1972, is undergoing a series of refurbishments and upgrades. The church was recently designated a National Shrine of Divine Mercy by Bishop Jason Gordon in commemoration of Barbados' 50th anniversary of Independence.

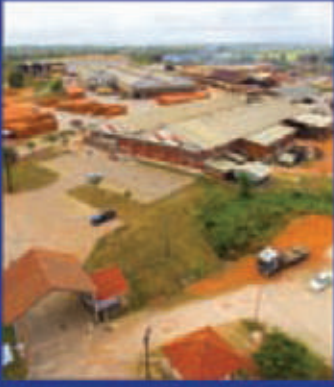

ANSA McAL supports National Centre for persons with disabilities

ANSA McAL continues to commit to its social responsibility programs, as the Group was pleased to sponsor the annual cost of a bursary. The bursary program, which commenced in September 2016, offered by the National Centre for Persons with Disabilities, assists young adults with disabilities to access vocational training. The training which incorporates remedial education, computer literacy and life skills, improves the lives of persons with disabilities throughout Trinidad and Tobago.
